INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the
Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1996. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Hancock has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock, as of December 31, 1996, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund and account group financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

WATER COMMISSIONER'S REPORT

The treatment plant continues to operate well, meeting all requirements for disinfection and turbidity. The problem caused by electrical storms has been solved. The system has operated for eighteen months without interruption.

The third test for the presence of copper or lead was taken and laboratory results showed all levels to be within acceptable limits. Also, test samples for nitrites, nitrates, and various organic compounds were taken and found to be acceptable.

Repair costs were about average for the year. Although there were no main breaks we did have to repair four service connections, all in the same general area of town.

State money covering 20% of the upgrading costs continues to be received on schedule.

TAX COLLECTORS REPORT

There have been some changes in the Tax Collector's office since you elected me in 1990. We have tried to make paying your taxes easier by offering extended hours of 9am-5pm on the day taxes are due. On Lien and Deeding days we are open 9am-5pm. We take prepayments on taxes for the year after April 1. This is helpful if you are going to be out of town or wish to make monthly payments instead of twice a year.

If you have had a lien put on your property by the Town of Hancock, I am willing to take weekly or monthly payments to help you get caught up and keep the interest you have to pay down to a minimum. As some of you have already taken advantage of this and are now current with your taxes.

In 1995 I was chosen by the Tax Collectors Association as Coordinator Co-Chairperson for Hillsborough County. We had a meeting in March, 1996 at the Church Vestry. Eleanor Amidon, Representative to General Court gave an excellent presentation as our guest speaker.

In July after a three year course of study at the University of New Hampshire, your Tax Collector completed the New Hampshire Certification Course.

SELECTMEN'S REPORT

The winter of 1995-96 brought record snow fall which caused many problems for our Highway Department. As usual, the highway crew did an excellent job keeping the roads plowed and sanded so that everyone could get out anytime of day or night. As if the snow wasn't enough of a challenge, we were also treated to torrential rains a couple of times throughout the year to further challenge our Highway Department. The Highway Department was also kept busy paving Hunt's Pond Road. They dug out rocks, stumps, etc. on a portion of Old Bennington Road. This allowed for the widening of that section of the road and improvement to the drainage.

The Recreation Committee was very active this year with all of the trips to different events they organize and sponsor. At their urging, the bathing beach was expanded to better serve our ever expanding "beach goers." Also at their urging, we built a multi purpose court. This provides a place for the skateboarders along with two basketball courts.

The Cemetery Trustees decided to contract the maintenance of the cemeteries for the first time. This seems to be working very well. They have cleaned a lot of the brush along all the stone walls. They have also been working at painting the iron work on some of the older graves. The ongoing project of repairing the broken grave stones has come along very nicely.

The Planning Board has been very busy as usual. They have added the task of updating the Master Plan. At the public hearing it was brought out that the business owners do not want a Commercial Zone at this time. The business owners felt a need to expand the definition of Home Occupation and to add a category of Home Based Business.

The personnel at the town dump have been working hard to help everyone recycle their trash. All of the dogs in town would like to thank Bill for their biscuits!

The Fire Department had a busy year with many rescue and fire calls. In January they took delivery of a new pumper. The members and the Ladies' Auxiliary put on the excellent chicken barbecue for Old Home Day. In December there was a fire at the former Mulhall farm on the Old Antrim Road. Even though the Hancock Department, assisted by mutual aid from other towns, made an excellent stop, the Holt family lost most everything they owned. The fact that smoke detectors were in the house, and working, was a definite benefit to them.

The Police Department provided the usual high quality service. The members have spent many hours in class so they may be more effective in the protection of our town. They have a new radar unit that can get you coming or going, meaning that they may clock a car approaching from either the front or the rear.

We wish to congratulate Eleanor Amidon on her re-election as State Representative to Hillsborough County District 9; and to Lauren Carney to her first term as State Representative to Hillsborough County District 12.

We would like to thank our Tax Collector, Elaine Paquette, and her assistant Martha Blanchette, for collecting the funds to keep our town operating. We would like to thank our Town Clerk, Lesley Cass, and her assistant Wendy Brennan, for all their work on auto registrations and other duties handled by that office. Our special thanks to Barbara Caverly and Wendy Brennan for their indefatigable efforts to keep the town operating smoothly. Our thanks go out to the Police, Highway, and Fire Departments for all the time they spend making Hancock a safer place to live. Thank you to the Dump personnel. We would like to thank all the people that have served on the numerous committees and all the people that volunteer for the different projects. Thanks to all the residents for making 1996 a great year!

In 1996, as in previous years, the Hancock Town Library was fortunate to have a group of volunteers who each gave at least two hours a week to assist the staff.

Jean Adams cataloged new books and George and Bea Dechert repaired damaged ones. Nancy Adams, Jeanne Eastman, Lois Corbett, Shirley Kane and Bill Corbett covered books and prepared them for circulation. Mary Ann Auth, Thelma Babbitt, Lynn Frank, Dot Grim, Wales Meisinger and Ron Woods were in charge of the adult circulation desk.

Janet Beach alphabetized and filed catalog cards and Andy Kerwin and Diane Miller worked at the Children's Room circulation desk. Barbara Woods gave a gift of her time and talents to the elementary school children when they came to the library on Friday mornings and Sandy Weston was there to help her check out the books.

Could the library survive without these wonderful men and women? Perhaps -- but there is no question that it would be a poor substitute for what exists now. The volunteers enrich the library in a way nothing else can.

A. Patricia Briggs, Director

HANCOCK LIBRARY TRUSTEES REPORT

At the Hancock Town Library we are thankful for small gifts. This year there have been many reasons to be thankful. Small gifts arrive quietly -- a book donated, a few dollars given in memoriam and appreciation, a volunteer's hours working the desk. Ordinary generosity sneaks up on you. Each week our neighbors are looking after the library on Main Street. The year's end tally is surprising -- if it were the gift of one donor we would shout the donor's name from the rooftop. But it is much the better that we have received gifts from so many, and here we would like to acknowledge some of our benefactors.

A wonderfully diverse selection of books has been donated: new hardcover mysteries, cookbooks, dog training books, books on tape, accounts of pigboats (submarines) and a baseball player-spy, and even, improbable as it seems to us, Fly Fishing With Children (very patient, Zen-like children).

In 1996 we added to our collection books, audio cassettes and video tapes from: Nancy Adams, Adine Aldrich, Mary Catherine Bateson, Margaret Carlson, Alan Chandler, Francelia Clark, Susie Denehy, Marion Duris, Diane Forsten, John Goodhue, Sara Hale, Lisa Marie Hall, Lois and Rick Haskins, Janet Hecht, Rebecca Johns, Anne Kenney, Al Lambert, Beverly Leach, Charles Merrill, Robert and Diane Miller, Sy Montgomery, Mary Murphy, Robert and Judith Oksner, Cindy Ryer, Alison Scott, Pat Soucy, Martha Wilder, and Barbara Woods.

We have also been given magazine subscriptions by very smart folks who like a magazine, but do not want it piling up around the house.

About 40 percent of the library's subscriptions are gifts, 23 in all, ranging from the American Hunter to the University of California Wellness Letter, with stops along the way for Martha Stewart Living, The New Yorker, Sail, Four Wheel and others. We thank: Margaret Carlson, Delia Daniels, Irving Duris, Priscilla Eldred, Lynn Frank, Virginia Gleason, Dot Grim, Fran Hillner, Maryann Hitchcock, Becky Johns, Lori Ingalls, Alix Kilpatrick, Jean MacFarlane, Peter Thomas and Hugh Woodward.

We have a good neighbor in Robert Fish who mows our back field, and keeps it plowed in winter. Don Briggs shovels the walks. Mike Cass provided refreshments for the summer reading program's awards night. Pat Newcomb has donated decorations for the Children's Room.

As always the library could not operate without its core of dedicated volunteers, whom we thank at an annual lunch. In particular we must note the time given by Brownie McKinley who has been shepherding the Great Decision discussion group, and the phenomenal job done by volunteer Barb Woods reading to the elementary school children.

Children's story hour offers another gift to anyone who has ever seen it. When the kids get up and scatter for their books, you can't help but be reminded of the younger reader you once were, who read "widely, joyfully, and naturally," as the critic and poet Randall Jarrell once said. Jarrell was talking about a poet's ideal reader. He lamented those who saw reading as a chore, such as one critic he knew who read only for work and to teach, but had no time to "read at whim."

That poor critic had blinded himself to a great gift. He should take a lesson from the poetry of Rainer Maria Rilke, Jarrell insisted: "The work of art, Rilke said, says to us always: you must change your life. It demands of us that we too see things as ends, not as means -- that we too know them and love them for their own sake. This change is beyond us, perhaps, during the active, greedy, and powerful hours of our lives; but during the contemplative and sympathetic hours of our reading, our listening, our looking, it is surely within our power, if we choose to make it so, if we choose to let one part of our nature follow its natural desires. So I say to you, for a closing sentence: Read at Whim! read at whim!"

Maybe we should shout that from the rooftop.

The Hancock Genealogical Committee accumulated a great deal of information in 1996 about past and present residents of Hancock. This was due to the distribution of a newly-revised genealogical form and persistence on the part of Elizabeth Weston, the chief researcher for the project, in getting those forms completed and returned. Liz particularly focused on contacting Hancock High School alumni for information about themselves and their families. Genealogical inquiries about Hancock's past residents were received and answered; Liz also continued to log many hours of research in the N.H. State Vital Records Office in Concord and in the old property transaction records currently stored in the Hancock Town Office Building. As an auxiliary project using some of the wealth of information uncovered in this research, Norman Phelps has been photographing homes and other buildings in Hancock to include in a documentary and pictorial history of Hancock's Historic Buildings. With the assistance of Sheila Adams, the Committee mounted an exhibit in the Vestry on Old Home Day which used genealogical information and an incredible collection of family documents, photographs and artifacts to depict some of the history of the Hayward family in Hancock.

Despite all that has been accomplished over the past several years, the two remaining active members of the Hancock Genealogical Committee are finding progress toward the publication of a final volume of Hancock Genealogy discouragingly slow. Despite repeated pleas for additional volunteers to help with any facet of this project, no assistance has been forthcoming and the Committee finds itself in the unexpected position of having to pay for someone to enter data into our computer database. This places a burden on the limited resources that have been accumulated for this project. Despite the lack of help, however, the committee remains committed to this project as an invaluable opportunity to accumulate, preserve and make available the history of our community as experienced by the people who have made their homes here.

Anyone inspired by the "Ancestors" series currently featured on PBS stations (Channel 11, 3:30 pm on Sunday afternoons) to learn more about researching his or her family genealogy is welcome to contact a member of the Committee to find out more about this fascinating hobby. And please, if you have one of our forms, complete it and return it to the Committee at PO Box 222 in Hancock as soon as possible.

REPORT OF THE HANCOCK TOWN DUMP COMMITTEE

The Hancock Recycling Center had another successful year in 1996 as a result of the continuing efforts of Hancock residents to recycle and the efforts of the dedicated staff of the facility.

Recycling saves in several ways: The materials are sold to offset operating costs; hauling and disposal costs are reduced; and the environmental impact is lessened by saving scarce space in the landfill. Everyone is urged to separate as much of the recyclables from the waste as possible.

This year, the volume of trash increased moderately over 1995 and approximately 35% of material deposited at the center was recycled. In spite of an increase in the price per ton for hauling trash to a landfill and a decline in revenue caused by the further collapse in prices for recyclable materials, the Dump managed to operate within budget.

HANCOCK FIRE DEPARTMENT

In 1996 the Hancock Fire Department responded to 51 rescue and 62 fire calls for a total of 113 calls. Six of these calls came in while another call was in progress.

We took delivery of our new fire truck in January and were able to equip it with money from contributions and fund raising. Many of our members were involved during the planning and building of the truck and in setting it up for service.

Our members continued to keep up with training requirements by logging more than 900 hours of training and drill time. Richard Broderick and David White are taking the Certified Firefighter Level I Course while John Jordan completed his First Responder Course this summer.

Ken Moller and Todd Joseph retired from the Department this year. Ken with 21 years and Todd with 14 years of service to the town. We thank both of them for their years of dedication.

We have been fortunate to take on six new members this year. David and Bonnie Skerry, Heather Patton, Richard Broderick, David White and Scott Lester all have joined us and we welcome them.

Just seven days before Christmas, we were called to a major structure fire at the Holt residence on Old Antrim Road. The family was awakened by smoke detectors to find their barn "up in flames". They managed to get all family members out of the house safely. With the assistance of nine mutual aid towns we were able to save many of their belongings including most of their Christmas presents. This reinforces the statement "SMOKE DETECTORS SAVE LIVES". Please check yours to see that they are working.

The department members would like to thank the Ladies Auxiliary, Police Department, Highway Department, Barbara and Wendy at the Town Office, and the Board of Selectmen for their continued support and assistance. And a special thanks to the many townspeople who have helped us out with their generous donations. This year we were surprised with the gift of a 60 x 40 tent which we will use for our chicken barbecue on Old Home Day and for other large functions.

HANCOCK PLANNING BOARD

The Planning Board spent a good deal of 1996 updating the Master Plan. Three members of the Planning Board, Carolyn Boland, Jack Carlson, and Bernie Schneckenburger made up the committee to coordinate the revision. The first draft was sent to fifty residents of Hancock inviting their comments. A public hearing was held where approximately thirty people attended to offer their opinions. Discussion at the hearing focused on concerns and possible solutions to: (1) the need to accommodate home based businesses in the rural/agricultural district by special exception; (2) provide affordable housing for those in need by amending the zoning ordinance to provide for more than two apartments per dwelling; (3) continue efforts to bring all gravel pit operations into compliance with town ordinances; (4) develop a plan to maximize the use of existing elementary school property when the town offices relocate to that site by considering parking, possible changes in street locations, and landscaping; (5) the possibility to study the need for an enlarged business district. The final version of the Master Plan should be completed by early 1997.

Other business before the board was as follows:

1. Conducted 7 Preliminary Hearings
2. Approved 1 Subdivision
3. Approved 3 Boundary Line Adjustments
4. Followed-up on 1 Site Plan Operation
5. Followed-up on 2 Gravel Pit Operations

A petition to amend the Zoning Ordinance to include a "cafe" in the Residential District was received and will be voted on in March 1997.

In August 1996, Chairman David Reardon resigned after ten years on the Board to relocate to Virginia. Janice Ford resumed his term as Chairman. The Board thanks Dave and also Tom Woodbury, who was a member of the Planning Board for several years, for their hard work and dedication.

The Planning Board appreciates all the input from the town regarding the revisions to the Master Plan and urges you to continue your participation in the planning process.

COMMON COMMISSION

Last years report underscored several deferred maintenance projects that would require a higher budget allocation. Dick Bell and the Selectmen were able to put a plan into action and during the spring and summer the fountain basin was repointed, the flag pole was improved, and the town riding mower, now our responsibility, had a major rehab. Additional flags were purchased and a new halyard bent on so we are able to report that, except for the fountain itself, we are in good shape.

Our concern for the fountain is the condition of the metal at the center of the several basins. It appears to be deteriorating and at risk as the fountain is put up and down each year. We are looking for, and have not yet found, cast iron expertise that could properly evaluate the metal and recast it, if appropriate. Any suggestions would be welcome.

Norman Phelps, who has been a commissioner since 1991, has indicated that he wishes to step down so we are looking for his replacement. Dick and I are grateful for his help and advice and hope that one of you will come forward to share in the mowing and leaf raking that keep the Common Ground the attractive places they should be. Now that the town mower is stored downtown, instead of at the Highway yard, the work is easily accomplished.

Last, but not least, we thank you for adding flowers and picking up litter.

Respectfully,

**Jack Carlson
Dick Bell
Norman Phelps**

RECREATION COMMITTEE

1996 has been another year of constant growth, development and improvement as the committee continues to promote, maintain and support the good health and well being of all residents in our community.

To date we have sponsored the following activities: aerobics classes, gymnastics for youth, art classes, youth basketball, adult volleyball, jujitsu, bus trips to the Boston Celtics, New England Flower Show, Disney On Ice, Fanueil Hall, the Wang Center, and the Fleet Center for many events, the Winter Frolic, and the monthly Hancock Happenings calendar that keeps you posted and up to date on activities occurring in town.

In addition to the programs sponsored by the dedicated work of all members of the committee, we have been responsible for the addition of the Multi-purpose court. The committee feels that for the first year this facility worked very well and we are in the process of working on a few problems that occurred and hope to have them resolved by this spring when the court reopens. We have also added a new raft at the beachfront as well as two more sections of docks with new decking. The ice skating rink grading repairs have been done and we hope you enjoy a wonderful skating session. The Town field did not get the overhaul that we planned as we decided to postpone this due to the building of the new elementary school. We will look into the overhaul as soon as the new school is built.

In the months to come we have several agenda items in which we could use your help and support. The picnic area that was started at the beachfront last summer will be finished this spring for those who would like to enjoy a hamburger while cooling off in the pond after a long day at work. The request for an outdoor volleyball net has been honored, the net will be set up this spring in the ice rink. We are also in the process of setting up a Summer concert Series (more on this to come as we complete the necessary steps for a good time). All of these improvements to Town facilities are in response to your continued support of recreation as a valuable entity in our community.

Once again, the committee would like to thank all the "Friends" of recreation who help make possible many of the activities that we all take part in...the Waterfront, Youth Soccer, Youth Baseball and Softball, Adult and Youth Basketball, the ice rink (including snowplowers Adam Blanchette and Ed Coughlan), the maintenance of the tennis courts, and to Nancy Adams and Marylou Moreen for creating the Hancock Happenings monthly. I would also like to thank Rennie Timm, Pat Newcomb, Betty Pels, Brian Higgins and Christie Stanley for all their help and support last year and would like to invite them to come back anytime.

Presently we meet the 1st Thursday of the month. If you have any questions or suggestions, please feel free to join us at the Town Office at 7 P.M. or call the following active committee members.

MARTHA BLANCHETTE - Chairperson, Budget, Community Liaison, Beachfront, Bus Tours, Youth Activities, Scheduling of Gym and Fields- 525-4025.

WELFARE OFFICER'S REPORT

During the year 1996, \$5,368.00 was spent of Town moneys for direct aid to 8 applicants who qualified under the Welfare Guidelines of the Town of Hancock. The impact to the town of welfare reform legislation at both the federal and state levels is an unknown which will be monitored over the coming year. Beyond the Town expenditures, \$11,767.91 was spent from the Hancock Helping Hands Fund. As always, many thanks to the individuals and organizations who donate so generously throughout the year and during the holiday season. This year 15 children and their families were helped with donations, food and gifts.

**Respectfully submitted,
Wendy R. Brennan**

CONSERVATION COMMITTEE

On May 8, 1997, members of the committee guided Hancock Elementary School students and teachers in planting trees on the Delia Thatcher portion of the Juggernaut Pond tract.

Two separate timber harvests were conducted on the Juggernaut Pond tract, which brought income to the town and improved the quality of the remaining timber.

A re-survey of the Cobb Hill lot on Jaquith Road corrected some discrepancies resulting from the original survey and showed that Hancock does not really own land in Harrisville.

A timber harvest was started on the Walcott lot which borders Cavender and Kimball roads with access from Kimball Road. When complete, this cut will provide a system of nature trails for the public to enjoy as well as trailhead parking. The project is being managed by Swift Corwin, the new Town Forester.
